

GROUNDS FOR HEALTH

BLEND

Global Challenge

Cervical cancer kills more women in coffee-growing communities than any other cancer. Since **over 70%** of all coffee workers are women, the health of **women at the heart of coffee** is essential to coffee's future.

Playing Our Part

Dilworth Coffee's roaster Stockton Graham & Co. has partnered with global charity **Grounds for Health** on a limited-edition coffee. The goal is to fund cervical cancer prevention and treatment for **15,000 women**.

Helping Save Lives

Grounds for Health will receive
\$1 from every **12oz** bag
